County Tax Rate Boosted To \$1.23 for Current Year

Representing a 16 1/4-cent increase over last year's tax rate, a basic tax rate of \$1.2335 was set by the San Mateo County Board of Supervisors at a meeting Tuesday. Last year's rate was \$1.0711.

The total county rate, with the county library and junior college tuition assessments added, was set at \$1.3618. The library rate applies to all the county except the cities of San Mateo, Burlingame and Redwood City, while the San Mateo Junior College maintenance fund applies to all property outside the junior college district.

County Controller Thomas J. Kane submitted figures to the board showing the county's net valuation to be \$118,506,826, including an assessment roll, less 4 per cent contemplated delinquency, of \$105,284,376, and utility properties valued at \$13,222,450.

Before fixing the tax rate, the board approved elementary and high school district budgets in the county, including the following: High schools: San Mateo, \$682,628; Sequoia, \$422,731; Jefferson, \$191,678; South San Francisco, \$147,500; Pescadero, \$20,081; Half Moon Bay, \$33,750; San Mateo Junior College's budget of \$455,287 was also approved. Elementary school budgets ap-

proved included: Burlingame, \$185,000; Half Moon Bay, \$11,812; Hillsborough, \$58,115; Menlo Park, \$60,810; Pescadero, \$93,761; Redwood City, \$201,781; San Carlos, \$58,801; San Mateo, \$258,325; Greensburg, \$87,461, and Portola, \$48,071.

A breakdown of the tax rate shows the basic rate to be composed of the following items: Levies for general purposes—general fund, \$495,959.50, .4186; salary fund, \$482,568.67, .4073; social welfare, \$206,144.02, .1740; Joint Highway District 9, \$36,585.62, .0309; Joint Highway District 10, \$10,475.90, .0089; courthouse construction, \$51,606.50, .0436; purchase of beach lands and Canyon Sanitarium, \$39,500, .0334; unbudgeted reserve, \$45,667.78, .0386.

Outstanding bonds added .0782 to make the basic rate \$1.2335. Addition of the \$43,125.08 junior college tuition fund added .0906 while the library fund, \$29,170.48, added .0377, to make the total county rate \$1.3618.

The number of visitors to the famed Catholic shrine at Lourdes, France, has increased many times since the start of the war.

Before the war emergency, tanker ships delivered about 1-250,000 barrels of oil daily to eastern seaboard points.

'Out of the Fog' Coming

Ida Lupino and John Garfield are featured in "Out of the Fog" opening Sunday at the Redwood Theater for a two-day engagement. Companion feature is "Affectionately Yours," starring Merle Oberon, Dennis Morgan and Rita Hayworth.

Local Firm Awarded Gravel Pit Permit

Hanrahan Construction Co. of Redwood City received permission from the Santa Clara County Board of Supervisors this week to use a seven-acre tract near Moffett Field as a gravel pit. The gravel dug will be used in constructing runways at the air base.

The permit had been opposed by residents of Mountain View who declared it would be unsightly. The board specified restrictions in the permit which are designed to prevent the pits becoming an eyesore. Sides will be sloped, the rim will be fenced and planted.

'Hellzapoppin' To Open Curran Engagement

"Hellzapoppin," the Olsen & Johnson musical revue which has been doubling up Broadway with laughter for three years, opens a limited engagement at the Curran Theater on Sunday evening, Aug. 31.

"Hellzapoppin" is more than just a title. Actually, it is an apt one-word description of the rowdiest, most scatterbrained revue in the history of the American theater. Where other musicals may seek to bedazzle the customers with elaborate and intricate scenes, "Hellzapoppin" is a show filled with mad monkey-shines that spill off the stage into the auditorium—making the boxes and aisles as much a part of the production as that section of the theater behind the footlights. All the world may or may not be a stage, but certainly the entire theater becomes one when "Hellzapoppin" is installed upon the premises.

"Hellzapoppin" has broken several of the traditions of the theater. It begins before it is supposed to and it does not end when it is expected to; it enlists the audience as its conspirators and the patrons participate in the mad goings-on; there is dancing in the aisles as well as on the stage. It is funny, irreverent, waggish, and at times verges on the fringe of nonsensical lunacy. It holds the record for consecutive performances of any musical on Broadway, and it has played to more people and grossed more money, both in New York and on the road, than any other American revue. Its humor is typically American, and yet it is unlike any other musical production. Decidedly, "Hellzapoppin" is a class by itself.

The cast is headed by Billy House and Eddie Garr, veteran comedians and zanies of the first order. To support them has been gathered a company of 100 skilled performers, clowns and chorus girls. Among the principals are Grace and Nikko, the Oxford Boys, Ben Dova, Paul Gordon, the Serner Sisters, the Read Sisters, Bobby Jarvis, Joe Wong, Elizabeth Scott, Clare Louise Evans and Billy Potter.

'Hot Cargo' Vote Petitions Filed Here

County Clerk William Augustus said Tuesday 1918 out of 3694 names submitted in this county on petitions seeking a referendum on the "hot cargo" and secondary boycott law probably will be certified to Secretary of State Paul Peek.

Checking of the petitions has not been completed, he said, but he added that it appeared 1918 of the signatures are those of qualified voters.

The certified names of 132,537 voters from throughout the state must be in the hands of the secretary of state on or before Sept.

Jack Benny at Sequoia Sunday

The greatest comedian of our time, Jack Benny, is starred in Brandon Thomas' comedy, "Charley's Aunt" in the film attraction at the Sequoia Theater Sunday. Kay Francis and James Ellison head the supporting cast.

Beauty Shop Offers New Hair-Do Idea

One of the most appealing combinations yet to be offered to the smart younger set is the new Pompy Coif, designed especially for the Pompy Hat, according to Bessie Craft of the Marinello Beauty Shop, 763 El Camino Real.

Pompy Coif is a brand new, "created-just-for-you" hair-do. Saucy, smart, casual, it's designed to bring out all the youthful loveliness of the hair. And, according to Bessie Craft, it's just what the young miss needs to give her a "head" start toward a perfect fall... and to make him fall. Best of all, it's an easy-to-care-for coiffure that's as light on the budget as it is on the head.

Pompy Hat is now on display in Bessie Craft's window and she will be more than glad to show Pompy Coif to anyone interested.

Log Crushes, Kills Girl On Coastside

SHARP PARK—Crushed between two of the logs thrown on the beach one half mile north of Sharp Park—several weeks ago when a raft broke up at sea, Margaret Wilken, 24, of San Francisco was killed Sunday.

Miss Wilken was at the beach with Theodore Reidelbach and her mother, Mrs. Bertha Wilken. They told sheriff's officers the young woman was walking along the beach.

As she was passing between two of the huge redwood logs, a wave picked up one and hurled it against her, crushed her against the other log before it was swept away again by the water. Miss Wilken's skull was fractured and she was injured internally.

She was taken to Junipero Serra Hospital where she was pronounced dead.

San Carlos Expects Gain

SAN CARLOS—Expecting a 25 per cent increase in enrollments during the coming school year, San Carlos Elementary School is preparing for the most active year of its existence, according to Supt. of Schools Clark Robinson. He explained that the large number of new homes recently constructed in the community made such an increase almost inevitable. Enrollment last year was approximately 500 pupils.

Although San Carlos School, like the majority of others in San Mateo County, will not open officially until Sept. 2, all new students should report to the school office for registration during the current week, between 9 a.m. and 12 noon.

Superintendent Robinson added that all pupils in attendance last year, however, were automatically registered and need not report until 9 a.m. on the Tuesday following Labor Day.

KINDERGARTEN AGES

Building Operations Slowed Here

Slack in construction work in Redwood City was pointed out today by City Bldg. Insptr. L. M. Duncan, who has issued only one permit during the past week—since Aug. 20. The city building inspector's office usually averages about two permits a day, Duncan said. Blame for the sudden drop was placed on the inability of contractors to get necessary building materials, because of strikes and defense work.

"Several contractors have told me that there are a lot of people for whom they could build homes now," Duncan stated, "but they are being held up because they cannot get materials."

LUMBERMEN TAKING LOGS FROM COASTSIDE
Ambitious lumbermen anxious to "cash in" on higher lumber prices caused by the defense building boom will solve the problem of how to remove over 200 huge logs strewn along the beaches of San Mateo County. Since two of the logs, pounded together by heavy surf, crushed a 24-year-old woman to death near Sharp Park last Sunday, county authorities have been concerned with the menace the logs create.

Today County Executive Frederick Peterson said several men were setting up portable sawmills near the beaches, planning to drag the logs from the sand with tractors and reduce the derelicts to lumber "on the spot."

"Inasmuch as salvage operations are underway by private persons, the county will take no further action," Peterson said. "Our main concern is that the menace be removed."

The logs were part of a log raft which broke up at sea while being towed from Portland to San Diego several weeks ago.

Lycaon, in Greek legend a king of Arcadia, was turned into a wolf because he offered human flesh to Zeus when the god came to visit him.

Mistletoe is a parasitic evergreen shrub which grows hanging from various trees.
